C.A. No. 1:16-cv-112-MN

Judge Maryellen Noreika

**DECLARATION OF LUIGGY SEGURA IN SUPPORT OF LEAD PLAINTIFFS’  
UNOPPOSED MOTION FOR APPROVAL OF DISTRIBUTION PLAN**

I, Luiggy Segura, hereby declare under penalty of perjury as follows:

1. I am the Vice President of Securities Operations at JND Legal Administration (“JND”). I am over 21 years of age and am not a party to the above-captioned action (“Action”).<sup>1</sup> I have personal knowledge of the facts set forth in this declaration and, if called as a witness, could and would testify competently thereto.

2. Pursuant to the Court’s November 22, 2021 Order Preliminarily Approving Settlement and Providing for Notice (D.I. 341) (“Preliminary Approval Order”), JND was retained by Lead Counsel to serve as the Claims Administrator in connection with the Settlement of the Action. As Claims Administrator, JND has, among other things: (i) mailed the Notice of (I) Proposed Settlement and Plan of Allocation; (II) Settlement Hearing; and (III) Motion for Attorneys’ Fees and Litigation Expenses (“Settlement Notice”) and the Proof of Claim and Release

---

<sup>1</sup> All terms with initial capitalization not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Settlement dated November 16, 2021 (D.I. 339-1) (“Stipulation”). The Settlement is contained in the Stipulation.

Form (“Claim Form” and together with the Settlement Notice, the “Settlement Notice Packet”) to potential Class Members, brokers, and other nominees; (ii) created and continues to maintain a toll-free helpline for inquiries during the course of the administration; (iii) created and continues to maintain a website for the Settlement (“Settlement Website”) and posted case-specific documents on it; (iv) caused the Summary Settlement Notice to be published; (v) provided, upon request, additional copies of the Settlement Notice Packet to potential Class Members, brokers, and other nominees; and (vi) received and processed each Claim Form received by the Claims Administrator (a “Claim”).

3. On March 17, 2022, the Court granted final approval of the Settlement and entered the Judgment Approving Class Action Settlement (D.I. 351) and Order Approving Plan of Allocation of Net Settlement Fund (D.I. 352). JND has completed processing all Claims received through February 16, 2023, in accordance with the terms of the Stipulation and the Court-approved Plan of Allocation set forth in the Settlement Notice (*see* D.I. 352), and hereby submits its administrative determinations accepting and rejecting the Claims in preparation for a distribution of the Net Settlement Fund to Authorized Claimants. JND also presents this declaration in support of Lead Plaintiffs’ Unopposed Motion for Approval of Distribution Plan.

#### **DISSEMINATION OF NOTICE**

4. As more fully described in the Declaration of Luiggy Segura Regarding: (A) Mailing of the Settlement Notice and Claim Form and (B) Publication of the Summary Settlement Notice (D.I. 347-3) (“Mailing Decl.”) and the Supplemental Declaration of Luiggy Segura Regarding Mailing of the Notice and Claim Form (D.I. 349) (“Supp. Mailing Decl.”), as of March 9, 2022, JND had mailed 106,516 Settlement Notice Packets to potential Class Members, brokers, and other nominees. Supp. Mailing Decl. ¶ 2. Since that date, no additional Settlement Notice

Packets have been disseminated. In total, JND has disseminated 106,516 Settlement Notice Packets to potential Class Members, brokers, and other nominees.

5. JND established and continues to maintain the Settlement Website ([www.NavientSecuritiesLitigation.com](http://www.NavientSecuritiesLitigation.com)) and a toll-free telephone helpline (833-358-1847) to assist potential Class Members. The Settlement Website, which provides access to important documents relevant to the Settlement, and the telephone helpline enable Class Members to obtain information about the Settlement. In connection with establishing and maintaining the Settlement Website and toll-free helpline, JND, among other things, formulated a system to ensure that proper responses were provided to all telephone and electronic inquiries. That work included training telephone agents to respond to inquiries specific to the Settlement; developing a series of common questions and the answers thereto known as Frequently Asked Questions or “FAQs”; loading key documents onto the Settlement Website; and programming the Settlement Website to permit the viewing and downloading of those documents.

6. In accordance with paragraph 4(c) of the Preliminary Approval Order, on December 29, 2021, JND caused the Summary Settlement Notice to be published in *The Wall Street Journal* and released via *PR Newswire*. Mailing Decl. ¶ 5.

#### **PROCEDURES FOLLOWED IN PROCESSING CLAIMS**

7. Under the terms of the Preliminary Approval Order and as set forth in the Settlement Notice, each Class Member who wished to be eligible to receive a distribution from the Net Settlement Fund was required to complete and submit to JND a properly executed Claim Form postmarked (if mailed) or online no later than April 13, 2022, together with adequate supporting documentation for the transactions and holdings reported in the Claim Form. Through February 16, 2023, JND has received and fully processed 82,659 Claims (“Presented Claims”).

8. In preparation for receiving and processing Claims, JND: (i) conferred with Lead Counsel to define the guidelines for processing Claims; (ii) created a unique database to store Claim details, images of Claims, and supporting documentation (“Settlement Database”); (iii) trained staff in the specifics of the Settlement so that Claims would be properly processed; (iv) formulated a system so that telephone and email inquiries would be properly responded to; (v) developed various computer programs and screens for entry of Class Members’ identifying information and their transactional information; and (vi) developed a proprietary “calculation module” that would calculate Recognized Claims pursuant to the Court-approved Plan of Allocation for the Net Settlement Fund set forth in the Settlement Notice.

9. Class Members seeking to share in the Net Settlement Fund were directed in the Settlement Notice to submit their Claims to a post office box address specifically designated for the Settlement or to submit their Claims online through the Settlement Website. Settlement Notice Packets returned by the United States Postal Service as undeliverable were reviewed for updated addresses and, where available, updated addresses were entered into the database and Settlement Notice Packets were mailed to the updated addresses. Any correspondence received at the post office box was reviewed and, when necessary, appropriate responses were provided to the senders.

### **PROCESSING CLAIMS**

#### **A. Paper Claims**

10. Of the 82,659 Presented Claims, 1,057 Claims were submitted as paper claims, and 363 Claims were submitted via the online filing component of the Settlement Website provided for individual investors (the remainder were submitted electronically, as described below). Once received, the paper Claims were opened and prepared for scanning. This process included unfolding documents, removing staples, copying nonconforming-sized documents, and sorting documents. This manual task of preparing the paper Claims for scanning is very laborious and

time intensive. Once prepared for scanning, paper Claims were scanned into the Settlement Database together with all submitted documentation. Subsequently, each Claim was assigned a unique Claim number. Once scanned, the information from each Claim Form, including the Claimant's name, address, and account number/information from the supporting documentation, and the Claimant's purchase/acquisition transactions, sale transactions, and holdings listed on the Claim Form, was entered into the Settlement Database. Once entered into the Settlement Database, each Claim was reviewed to verify that all required information had been provided. The documentation provided by the Claimant in support of the Claim was reviewed for authenticity and compared to the information provided in the Claim to verify the Claimant's identity and the purchase/acquisition transactions, sale transactions, and holdings listed on the Claim Form.

11. To process the transactions detailed in the Claims, JND utilized internal messages to identify and classify deficiency or ineligibility conditions existing within those Claims. Appropriate messages were assigned to the Claims as they were processed. For example, where a Claim was submitted by a Claimant who did not have any eligible transactions in Navient securities during the Class Period (e.g., the Claimant purchased Navient common stock only before or after the Class Period), that Claim would receive a "Claim-level" message that denoted ineligibility. Similar Claim-level ineligible messages were used to denote other ineligible conditions, such as duplicate Claims. These messages would indicate to JND that the Claimant was not eligible to receive any payment from the Net Settlement Fund with respect to that Claim unless the deficiency was cured in its entirety. Examples of Claim-level messages are as follows:

- Inadequate Documentation Submitted for Entire Claim
- No Supporting Documentation Submitted for Entire Claim
- No Purchase Transaction in the Class Period

12. Because a Claim may be deficient only in part, but otherwise acceptable, JND utilized messages that were applied only to specific transactions within a Claim. For example, if a Claimant submitted a Claim with supporting documentation for all but one purchase transaction, that one transaction would receive a “transaction-level” message. The message indicated that although the transaction was deficient, the Claim was otherwise eligible for payment if other transactions in the Claim calculated to a Recognized Claim pursuant to the Court-approved Plan of Allocation. Thus, even if the transaction-level deficiency was never cured, the Claim could still be partially accepted. Examples of transaction-level messages are as follows:

- No Supporting Documentation for Specific Transaction/Position
- Inadequate Documentation for Specific Transaction/Position
- Illegible Documentation for Specific Transaction/Position

**B. Electronic Claims**

13. Of the 82,659 Presented Claims, 81,239 Claims were submitted electronically (“Electronic Claims”). Electronic Claims are typically submitted by institutional investors who may have hundreds or thousands of transactions during the Class Period or by filers submitting Claims on behalf of multiple beneficial owners (“Electronic Claim Filers” or “E-Claim Filers”). Rather than provide reams of paper requiring data entry, the E-Claim Filers either mail a computer disc or electronically submit a file to JND so that JND can upload all transactions to the Settlement Database.

14. JND maintains an electronic filing operations team (“Electronic Filing Team”) to coordinate and supervise the receipt and handling of all Electronic Claims. In this case, the Electronic Filing Team reviewed and analyzed each electronic file to ensure that it was formatted in accordance with JND’s required format and to identify any potential data issues or inconsistencies within the file. If any issues or inconsistencies arose, JND notified the filer. If the

electronic file was deemed to be in an acceptable format, it was then loaded into the Settlement Database.

15. Once each electronic file was loaded, the Electronic Claims were coded with messages to denote any deficient or ineligible conditions that existed within them. These messages are similar to those applied to paper Claims. In lieu of manually applying messages, the Electronic Filing Team performed programmatic reviews on Electronic Claims to identify deficient and ineligible conditions (such as, but not limited to, price out-of-range issues, out-of-balance conditions, transactions outside the Class Period, etc.). The output was thoroughly verified and confirmed as accurate.

16. The review process also included message coding any Electronic Claims that were not accompanied by a signed Claim Form, which serves as a “Master Proof of Claim Form” for all Claims referenced on the electronic file submitted. This process was reviewed by JND’s Electronic Filing Team and, when appropriate, JND contacted the E-Claim Filers whose submissions were missing information. This ensured that only fully completed Claims, submitted by properly authorized representatives of the Claimants, were considered eligible to participate in the Settlement.

17. Finally, at the end of the process, JND performed various targeted reviews of Electronic Claims. Specifically, JND used criteria such as the calculated Recognized Claims and other identified criteria to apply its internal message codes and reach out to a selection of E-Claim Filers and request that various sample purchases, sales, and holdings selected by JND be documented by providing confirmation slips or other transaction-specific supporting documentation. These targeted reviews help to ensure that electronic data supplied by Claimants does not contain inaccurate information.

### **EXCLUDED PERSONS**

18. JND also reviewed all Claims to ensure that they were not submitted by or on behalf of “Excluded Persons” to the extent that the identities of such persons or entities were known to JND through the list of Defendants and other excluded persons and entities set forth in the Stipulation and the Settlement Notice and from the Claimants’ certifications on the Claim Forms. JND also reviewed all Claims against the list of persons who were excluded from the Classes pursuant to request as listed on Appendix 1 to the Stipulation.

### **THE DEFICIENCY PROCESS**

#### **A. Paper Claims**

19. Approximately 49% of the paper and online Claims, i.e., 699 of the 1,420 Claim submitted either as paper Claims or via the Settlement Website, were incomplete or had one or more defects or conditions of ineligibility, such as the Claim not being signed, not being properly documented, or indicating no eligible transactions in Navient securities during the Class Period. The “Deficiency Process,” which primarily involved mailing letters to Claimants and responding to communications from Claimants by email and/or telephone, was intended to assist Claimants in properly completing their otherwise deficient submissions so that they could be eligible to participate in the Settlement.

20. If paper Claims were determined to be defective, a Notice of Deficient/Ineligible Claim Submission (“Deficiency Letter”) was sent to the Claimants describing the defect(s) in the Claims and what steps, if any, were necessary to cure the defect(s) in these Claims. The Deficiency Letter advised Claimants that submission of appropriate information and/or documentary evidence to complete the Claim had to be sent within twenty (20) days from the date of the Deficiency Letter or the Claim would be recommended for rejection to the extent that the deficiency or condition of ineligibility was not cured. The Deficiency Letter also advised Claimants of their right to contest

these administrative determinations, and that Claimants were required to submit written statements to JND requesting Court review of their Claims and setting forth the basis for such requests. JND sent Deficiency Letters, emails, and/or made follow-up phone calls to the 699 Claimants who submitted paper Claims that JND determined to be defective. Attached hereto as Exhibit A are examples of the Deficiency Letters.

21. Claimants' responses to Deficiency Letters were scanned into the Settlement Database and associated with the corresponding Claims. The responses were then carefully reviewed and evaluated by JND's team of processors. If a Claimant's response corrected the defect(s) in a Claim, JND manually updated the Settlement Database to reflect the changes in the status of the Claim.

**B. Electronic Claims**

22. For Electronic Claims, JND used the following process to contact the banks, brokers, nominees, and other E-Claim Filers to confirm receipt of their submissions and to notify the Electronic Claim Filers of any deficiencies or Electronic Claims that were ineligible. Each E-Claim Filer was sent an email to the email address included with the Claim Form(s) ("Deficiency Email") with an attached report containing detailed information associated with the Claim(s) and indicating which Claim(s) within the filing were deficient and/or rejected ("Deficiency Spreadsheet").

23. The Deficiency Email sent to the email address of record provided with the Claim Form:

- (a) Notified the filer that any Claims with deficiencies not corrected within twenty (20) days from the date of the Deficiency Email may be rejected;

(b) Advised the filer of the right to contest the rejection of the Claim(s) and request this Court's review of JND's administrative determination within twenty (20) days from the date of the Deficiency Email; and

(c) Provided the filer with instructions for how to submit corrections.

24. The Deficiency Spreadsheet attached to the Deficiency Email identified each of the individual Claims that were found to be deficient or ineligible and the basis for that deficiency or condition of ineligibility.

25. JND emailed a Deficiency Email and Deficiency Spreadsheet(s) to 167 E-Claim Filers. Examples of a Deficiency Email and Deficiency Spreadsheet are attached hereto as Exhibits B and C, respectively.

26. The E-Claim Filers' responses to Deficiency Emails were reviewed by the Electronic Filing Team, scanned and/or loaded into the Settlement Database, and associated with the corresponding Electronic Claims. If a response corrected the defect(s) or affected an Electronic Claim's status, JND manually and/or programmatically updated the database to reflect such change in status of the Electronic Claim.

### **C. Calling Campaign to Claimants Who Did Not Cure Deficiencies**

27. After responses to the Deficiency Letters and Deficiency Emails were received and evaluated, and the Claims updated, JND called Claimants with still-deficient Claims to provide them with a final opportunity to cure the deficiencies in their Claims.

28. During this calling campaign, JND's agents explained to contacted Claimants that their Claims remained deficient, advised Claimants of the steps required to cure the deficiencies, and provided assistance to Claimants where possible, depending on the nature of the deficiency. For example, if a Claimant needed additional supporting documentation, JND explained the types of documentation that would render the Claim eligible and how the Claimant could obtain the

necessary documentation. JND also provided some Claimants with direct phone numbers and email addresses so that Claimants could receive continued personalized attention and assistance.

29. If JND could not reach a Claimant to speak one-on-one, JND left a voice message, when possible, requesting a return call. JND explained in the voice message that it was calling to assist the Claimant in remedying outstanding deficiencies in the Claim. JND also reached out to Claimants via email if a valid email address was provided in their Claim submission.

30. If, in response to a telephone call or email, a Claimant cured the deficiency in a Claim by providing the appropriate information and/or supporting documentation, JND updated the Settlement Database to reflect the change in the status of the Claim.

#### **NO DISPUTED CLAIMS**

31. As noted above, Claimants were advised that they had the right to contest JND's administrative determination of deficiencies or ineligibility within twenty (20) days from the date of notification and that they could request that the dispute be submitted to the Court for review. More specifically, Claimants were advised in the Deficiency Letter or Deficiency Email that, if they disputed JND's determination, they had to provide a statement of reasons indicating the grounds for contesting the determination, along with supporting documentation, and if the dispute concerning the Claim could not otherwise be resolved, Lead Counsel would thereafter present the request for review to the Court for a final determination. JND works to resolve any disputes with Claimants as part of the Claims Administration process by explaining to Claimants why their Claims did not qualify under the Plan of Allocation. As a result, JND is able to resolve disputed Claims without necessitating the Court's involvement.

32. JND received one (1) request for Court review. To resolve this dispute without necessitating the Court's intervention, JND reached out to the Claimant requesting Court review and attempted to answer all questions and fully explain JND's administrative determination of the

Claim's status. As JND explained to the Claimant, the Claimant had purchased and held Navient common stock through the first corrective disclosure, but then sold those shares of Navient common stock for a gain (and, therefore, the Claim calculated to a Recognized Loss Amount of zero). The Claimant was not a Class Member under the Certification Order and, as such, was not entitled to share in the Settlement. *See* D.I. No. 174 (certifying classes of investors in certain Navient securities for certain periods "who were damaged thereby"). After receiving the explanation of the reasons for JND's determination, the one (1) Claimant withdrew the request for Court review. JND sent to the Claimant a Notice of Withdrawal of Court Review Request (attached hereto as Exhibit D), which confirmed the Claimant's withdrawal of the request for Court review. There are, therefore, no disputed Claims requiring Court review.

#### **LATE BUT OTHERWISE ELIGIBLE CLAIMS**

33. Of the 82,659 Presented Claims, 126 Claims were received or postmarked after April 13, 2022, the Claim submission deadline established by the Court. JND processed all late Claims received after April 13, 2022, through February 16, 2023, and 30 late Claims have been found to be otherwise eligible in whole or in part ("Late But Otherwise Eligible Claims"). JND has not rejected any Claim received through February 16, 2023, solely based on its late submission, and JND believes no delay has resulted from the provisional acceptance of these Late But Otherwise Eligible Claims. To the extent they are eligible but for the fact that they were late, they are recommended for payment.

34. However, there must be a final cut-off date after which no more Claims will be accepted so that there may be a proportional allocation of the Net Settlement Fund and the distribution may be accomplished. Acceptance of additional Claims or responses received during the finalization of the administration and the preparation of this declaration would necessarily require a delay in the distribution. Accordingly, JND also respectfully requests that this Court order

that no Claim received after February 16, 2023, or Claim cured or adjusted after February 16, 2023, be eligible for payment for any reason whatsoever subject only to the provision of paragraph 50(f) of the proposed distribution plan discussed below. If the Court adopts the proposed distribution plan, then, after Lead Counsel has determined that further distributions are not cost-effective and before any contribution of the residual funds to charity, if sufficient funds remain to warrant the processing of Claims received after February 16, 2023, these Claims will be processed and, if any would have been eligible if timely received, these Claimants may be paid their distribution amounts, to the extent permitted by the amount of remaining funds, on a *pro rata* basis that would bring them into parity with other Authorized Claimants who have cashed all their prior distribution checks. *See* ¶ 50(f) below. With respect to previously submitted Claims that are cured or adjusted after February 16, 2023, such Claims will be reevaluated upon receipt of the adjustment and, to the extent that they are found eligible for a distribution or additional distribution, they will be treated in the same manner as Claims received after February 16, 2023. However, should an adjustment result in a lower Recognized Claim amount, the Recognized Claim amount will be reduced accordingly prior to a distribution to that Claimant.

### **REJECTED CLAIMS**

35. Of the 82,659 Presented Claims, JND recommends a total of 49,165 Claims for rejection by the Court (“Rejected Claims”). The vast majority of those claims—specifically, 42,848 of the Rejected Claims—are recommended for rejection because they did not result in a “Recognized Claim” under the Court-approved Plan of Allocation or the Claimants were otherwise not Class Members under the Court’s September 2, 2020 order certifying the Classes (the “Certification Order”). *See* D.I. No. 174. The Plan of Allocation, set forth in the Settlement Notice mailed to Class Members, provides the formulae for calculating the value of the “Recognized Claim” for each Claim. Specifically, the Plan of Allocation provides a formula for calculation of

“Recognized Loss Amounts” for purchases of Navient common stock (*see* Settlement Notice App. A ¶¶ 7-9), Navient call and put options (*see* Settlement Notice App. A ¶¶ 10-14), and Navient Senior Notes (*see* Settlement Notice App. A ¶¶ 15-19). The Plan of Allocation provides that if a Recognized Loss Amount calculates to a negative number or zero, that number will be zero. *See* Settlement Notice App. A ¶¶ 7, 12, and 15. A Claimant’s “Recognized Claim” will be the sum of the Recognized Loss Amounts as calculated for each category of Navient securities. *See* Settlement Notice App. A ¶ 21.

36. As detailed further below, of the 42,848 Rejected Claims that did not result in a Recognized Claim, approximately 84.63% did not calculate to a Recognized Claim because the Navient common stock and/or options were not held through the first corrective disclosure; 0.11% were “short sales” or purchases covering a “short sale;” 2.57% did not calculate to a Recognized Claim under more than one provision of the Plan of Allocation; and 12.68% were from Claimants who did not buy eligible securities and, thus, did not fit the Court’s definition of the Class in the Certification Order:

<b>Reason for Rejection</b>	<b>Number of Claims</b>
Navient common stock and/or options were not held through the first corrective disclosure	36,262
Navient common stock purchased during the Class Period was for covering short sales	49
The Recognized Claim calculated to zero for other reasons under the Plan of Allocation	1,102
Claims with no eligible securities	5,435
<b>Total</b>	<b>42,848</b>

- (a) **Shares Not Held Over a Corrective Disclosure:** JND identified 36,262 Claims where no Navient common stock or options purchased or acquired

during the Class Period were held through the first corrective disclosure date (July 14, 2015, for Navient common stock and options). Specifically, Claimants purchased or acquired Navient common stock and/or options during the Class Period but sold their acquired positions before July 14, 2015. In each case, the Claimant had no Recognized Claim because—having not held the Navient common stock and/or options over one of the disclosure dates on which the price of Navient common stock and options were alleged to have declined as a result of the revelation of Defendants’ alleged misstatements—they were not injured by Defendants’ alleged misconduct in the Action. Thus, they were not Class Members under the Certification Order and, as such, were not entitled to share in the Settlement. *See* D.I. No. 174 (certifying classes of investors in certain Navient securities for certain periods “who were damaged thereby”).

- (b) **Short Sales:** JND identified 49 Claims where all purchases and/or acquisitions of Navient common stock during the Class Period were covering a prior “short sale” of the Navient common stock or options. As stated in the Plan of Allocation, the Recognized Loss Amount on “short sales” and purchases covering a “short sale” is zero. *See* Settlement Notice App. A ¶¶ 25-27.
- (c) **Other Claims With No Recognized Loss:** JND identified 1,102 Claims that calculated to a Recognized Claim of zero as the result of the application of more than one provision of the Plan of Allocation for different transactions within the Claim. For example, and the most common scenario,

a Claim contained one or more transactions where shares were purchased and sold prior to a corrective disclosure date (and, therefore, the Recognized Loss Amount on those transactions was zero) and a separate transaction in which shares were held past a corrective disclosure date but those shares were sold for a gain (and, therefore, that transaction also calculated to a Recognized Loss Amount of zero), resulting in the Claim as a whole calculating to a Recognized Claim of zero. Thus, this is another category of putative Claimants who were not Class Members under the Certification Order and, as such, were not entitled to share in the Settlement. *See* D.I. No. 174 (certifying classes of investors in certain Navient securities for certain periods “who were damaged thereby”).

- (d) **Claims With No Eligible Securities:** JND identified 5,435 Claims that did not fit the Court’s definition of the Class because they did not acquire/hold an eligible security during the Class Period. Again, this is another category of putative Claimants who were not Class Members under the Certification Order and, as such, were not entitled to share in the Settlement. *See* D.I. No. 174 (certifying classes of investors in certain Navient securities for certain periods).

37. It is JND’s experience in this and similar claims administrations that many filers who file on behalf of themselves or others in securities class actions identify only whether they have a purchase or acquisition of an eligible security during the relevant Class Period but do not review the full Plan of Allocation to determine whether they have an eligible or potentially payable Claim (for example, they do not determine whether they held shares over a corrective disclosure

date or if they had a gain on their transactions). This results in a substantial number of Claims being filed that are ultimately rejected once the terms of the Plan of Allocation are applied to the Claims.

38. The remaining Rejected Claims are recommended for rejection by the Court for the following reasons:

- (a) 6,258 Deficient Claims were never cured;
- (b) 33 are Duplicate Claims; and
- (c) 26 Claims were withdrawn.

39. The percentage of rejected Claims in this Action (whether rejected for lack of a “Recognized Claim” or for other reasons) is 59.5%, which is within the normal range of 40 to 60 percent of claims rejected that JND has seen in these types of securities class actions in recent years. In our experience, the increased use of electronic filing in these cases and, in particular, “third-party filing” in which a third-party company (such as a custodian bank or a professional filing service) submits an electronic claim on behalf of the beneficial owner of the shares has increased the percentage of rejected claims because these electronic filers can programmatically submit claims on behalf of all their clients that had any purchases of the eligible security during the relevant class period. These electronic filers, for reasons of efficiency, typically choose this approach rather than attempting to filter and submit claims only for those clients with a recognized claim under the relevant plan of allocation. In other words, such electronic filers are inclined to submit large numbers of claims without analysis of whether the claimants have a Recognized Loss and are therefore entitled to participate in the Settlement. While increased electronic filing has been beneficial by facilitating claim filing and encouraging greater participation by class members,

it has also resulted in investors submitting an increased number of ineligible claims that are not eligible for payment.

### **QUALITY ASSURANCE**

40. An integral part of the claims administration process is the Quality Assurance review. Throughout the administration process, JND's Quality Assurance personnel worked to verify that Claims were processed properly by ensuring that information was entered correctly into the database, deficiency and/or rejection message codes were assigned accurately, and deficiency and/or rejection notifications were sent appropriately. After all Claims were processed, deficiency and/or rejection notifications were sent, and Claimants' responses to the deficiency and/or rejection notifications were reviewed and processed, JND's Quality Assurance personnel performed additional Quality Assurance reviews. These final Quality Assurance reviews further ensured the correctness and completeness of all Claims processed prior to preparing this declaration and all JND's final documents in support of distribution of the Net Settlement Fund. As part of the Quality Assurance reviews, JND:

- (a) Verified that Claim Forms had signatures of authorized individuals;
- (b) Verified that true duplicate Claims were identified, verified, and rejected;
- (c) Verified that persons and entities excluded from the Classes did not file Claims or their Claims were rejected upon review;
- (d) Performed a final Quality Assurance audit of Claims and all supporting documentation to ensure completeness of Claims;
- (e) Determined that Claimants requiring deficiency and/or rejection notifications were sent such notification;
- (f) Performed an audit of deficient Claims;

- (g) Performed additional review of Claims with high Recognized Claim amounts;
- (h) Audited Claims that were designated invalid;
- (i) Audited Claims with a Recognized Claim amount equal to zero;
- (j) Performed other auditing based on Claims completion requirements and the approved calculation specifications based on the Court-approved Plan of Allocation; and
- (k) Re-tested the accuracy of the Recognized Claim amount calculation program.

41. In support of the work described above, JND's computer staff designed and implemented, and the project team tested, the following programs for this administration: (i) data entry screens that store Claim information, including all transactional data included on each Claim, and attach messages and, where necessary, text to denote conditions existing within the Claim; (ii) programs to load and analyze transactional data submitted electronically for all Electronic Claims; (iii) a program to compare the claimed transaction prices against the reported market prices to confirm that the claimed transactions were within an acceptable range of the reported market prices; (iv) a calculation program to analyze the transactional data for all Claims, and calculate each Claimant's Recognized Claim based on the Court-approved Plan of Allocation; and (v) programs to generate various reports throughout and at the conclusion of the administration, including lists of all eligible and ineligible Claims.

42. JND also used a variety of fraud protection controls throughout the administration process to identify potential fraudulent Claims. Duplicate Claim searches, high value reviews, spot

reviews, and other standard audit reports that examined the information in a variety of ways were used during the Claim review process.

43. As part of its due diligence in processing the Claims, JND reviewed and compared the entire Settlement Database against the “watch list” of known questionable filers that JND has developed throughout its years of experience as a claims administrator. JND has worked closely with law enforcement to update the watch list with the latest information available. JND performs searches based on names, aliases, addresses, and city/zip codes. In addition, JND’s claim processors are trained to identify any potentially inauthentic documentation when processing claims, including claims submitted by Claimants not previously captured in the “watch list.” Processors are instructed to apply internal message codes to any claim that matches to a record on the “watch list” and escalate them to management for review. JND’s Fraud Protection procedures identified one (1) potentially fraudulent Claim that was identified as having been submitted by someone on the “watch list.” This Claim was then reviewed by management to consider the documentation submitted with the Claim in conjunction with other factors, including a review of the Claimant’s website registration, address, and registration with the SEC or asset management organizations, and determined to be potentially fraudulent. JND sent this Claimant a Deficiency Letter notifying the Claimant that additional documentation was required for the Claim to be eligible to participate in the Settlement. No additional documentation has been received supporting this potentially fraudulent Claim and it is recommended for rejection for failure to cure the conditions of ineligibility.

**RECOMMENDATIONS FOR APPROVAL AND REJECTION**

44. As noted above, the number of Presented Claims in this motion is 82,659.

**A. Timely Submitted and Valid Claims**

45. A total of 82,533 Claims were received or postmarked on or before April 13, 2022, the Court-approved Claim submission deadline, of which 33,464 Claims were determined by JND to be eligible to participate in the Settlement and are recommended for approval (“Timely Eligible Claims”). The total Recognized Claim amount for these Timely Eligible Claims is \$380,923,508.59.

**B. Late But Otherwise Eligible Claims**

46. A total of 126 Claims were received or postmarked after April 13, 2022, but received on or before February 16, 2023. Of those 126 late Claims, 30 were determined by JND to be otherwise eligible and are recommended for approval (“Late But Otherwise Eligible Claims”). The total Recognized Claim amount for these Late But Otherwise Eligible Claims is \$690,552.49.

**C. Rejected Claims**

47. After the responses to Deficiency Letters and Deficiency Emails were processed, a total of 49,165 Rejected Claims remains recommended for rejection by the Court for the following reasons:

- (a) 42,848 Claims did not result in a Recognized Claim pursuant to the Court-approved Plan of Allocation or otherwise did not fit the Court’s order defining membership in the Classes;
- (b) 6,258 Deficient Claims were never cured;
- (c) 33 Claims were Duplicate Claims; and
- (d) 26 Claims were withdrawn.

**D. Lists of All Presented Claims**

48. Attached hereto as Exhibits E through G are listings of all the Presented Claims:
- (a) Exhibit E lists the Timely Eligible Claims and shows each Claimant's Recognized Claim;
  - (b) Exhibit F lists the Late But Otherwise Eligible Claims and shows each Claimant's Recognized Claim; and
  - (c) Exhibit G lists the Rejected Claims and the reasons for rejection.

**FEES AND DISBURSEMENTS**

49. JND agreed to be the Claims Administrator in exchange for payment of its fees and out-of-pocket expenses. Lead Counsel received reports on and invoices for the work JND performed with respect to the provision of notice and administration of the Settlement. Attached hereto as Exhibit H are copies of JND's invoices for its work performed on behalf of the Classes as well as an estimate for the work that will be performed and the costs that will be incurred in connection with the initial distribution of the Net Settlement Fund. Should the estimate of fees and expenses to conduct the initial distribution of the Net Settlement Fund exceed the actual cost, the excess will be returned to the Net Settlement Fund and will be available for subsequent distribution to Authorized Claimants. As set forth in these invoices, JND's total fees and expenses for this matter through January 31, 2023, are \$750,412.88. The brokerage firms and nominees charged JND another \$94,505.12 for their work providing names and addresses of potential Class Members and forwarding notices to their clients. JND anticipates that its fees and expenses for the work performed in conjunction with the initial distribution of the Net Settlement Fund will be \$43,858.35. To date, JND has been reimbursed in the amount of \$763,937.39. Accordingly, there is an outstanding balance of \$124,838.96 payable to JND from the Settlement Fund, which includes the estimate for completing the initial distribution.

**DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND**

50. Should the Court concur with JND's determinations concerning the provisionally accepted and rejected Claims, including the Late But Otherwise Eligible Claims, JND recommends the following distribution plan ("Distribution Plan"):

(a) JND will conduct an initial distribution ("Initial Distribution") of the Net Settlement Fund, after deducting all payments approved by the Court, and after payment of any estimated taxes, the costs of preparing appropriate tax returns, and any escrow fees, while maintaining a 5% reserve to address any tax liability and claims administration-related contingencies that may arise, as follows:

(1) JND will calculate award amounts for all Authorized Claimants as if the entire Net Settlement Fund were to be distributed now. In accordance with the Court-approved Plan of Allocation, JND will calculate each Authorized Claimant's *pro rata* share of the Net Settlement Fund based on the amount of the Authorized Claimant's Recognized Claim in comparison to the total Recognized Claims of all Authorized Claimants. *See* Settlement Notice App. A ¶ 29.

(2) JND will, pursuant to the terms of the Plan of Allocation, eliminate from the Initial Distribution any Authorized Claimant whose *pro rata* share calculates to less than \$10.00. *See id.* ¶ 30. These Claimants will not receive any payment from the Net Settlement Fund and will be so notified by JND.

(3) After eliminating Claimants who would have received less than \$10.00, JND will recalculate the *pro rata* share of the Net Settlement

Fund for Authorized Claimants who would have received \$10.00 or more. A “Distribution Amount” will be calculated for each of these Authorized Claimants, which shall be the Authorized Claimant’s Recognized Claim divided by the total Recognized Claims of all Authorized Claimants who would have received \$10.00 or more, multiplied by the total amount in the Net Settlement Fund. *See id.* ¶ 29.

(4) Authorized Claimants whose Distribution Amount calculates to less than \$200.00 will be paid their full Distribution Amount in the Initial Distribution (“Claims Paid in Full”). These Authorized Claimants will receive no additional funds in subsequent distributions.

(5) After deducting the payments to the Claims Paid in Full, 95% of the remaining balance of the Net Settlement Fund will be distributed *pro rata* to Authorized Claimants whose Distribution Amount calculates to \$200.00 or more. The remaining 5% of the Net Settlement Fund will be held in reserve (the “Reserve”) to address any tax liability and claims administration-related contingencies that may arise following the Initial Distribution. To the extent the Reserve is not depleted, the remainder will be distributed in the “Second Distribution” described in subparagraph (d) below.

(b) To encourage Authorized Claimants to deposit their payments promptly, all distribution checks will bear a notation: “CASH PROMPTLY. VOID AND SUBJECT TO REDISTRIBUTION IF NOT CASHED BY [DATE 90

DAYS AFTER ISSUE DATE].” For Authorized Claimants whose checks are returned as undeliverable, JND will endeavor to locate new addresses through reasonable methods. Where a new address is located, JND will update the Settlement Database accordingly and reissue a distribution check to the Authorized Claimant at the new address. In the event a distribution check is lost or damaged or otherwise requires reissuance, JND will issue replacements. Distribution reissues will be undertaken only upon written instructions from the Authorized Claimant, provided that the Authorized Claimant returns the previous check where appropriate. For all checks, JND will void the initial payment prior to reissuing a payment. In order not to delay further distributions to Authorized Claimants who have timely cashed their checks, JND’s outreach program shall end thirty (30) days after the initial void date. Authorized Claimants will be informed that, if they do not cash their Initial Distribution checks within ninety (90) days of the mail date, or they do not cash check reissues within thirty (30) days of the mailing of such reissued check, their check will lapse, their entitlement to recovery will be irrevocably forfeited, and the funds will be reallocated to other Authorized Claimants. Reissue requests for lost or damaged checks will be granted after the void date on the checks as long as the request for the reissue is received no later than forty-five (45) days prior to the next planned distribution. Requests for reissued checks in connection with any subsequent distributions (should such distributions occur) will be handled in the same manner.

- (c) Authorized Claimants who do not cash their Initial Distribution checks within the time allotted or on the conditions set forth above will irrevocably forfeit all recovery from the Settlement. The funds allocated to all such stale-dated checks will be available for distribution to other Authorized Claimants in the Second Distribution. Similarly, Authorized Claimants who do not cash their second or subsequent distribution checks, should such distributions occur, within the time allotted or on the conditions set forth above will irrevocably forfeit any further recovery from the Net Settlement Fund.
- (d) Consistent with the Court-approved Plan of Allocation, after JND has made reasonable and diligent efforts to have Authorized Claimants cash their Initial Distribution checks, which efforts shall consist of the follow-up efforts described above, but not earlier than seven (7) months after the Initial Distribution, JND will, after consulting with Lead Counsel, conduct a second distribution of the Net Settlement Fund (“Second Distribution”). *See id.* ¶ 31. Any amounts remaining in the Net Settlement Fund after the Initial Distribution, including from the Reserve and the funds allocated for all void stale-dated checks, after deducting JND’s unpaid fees and expenses incurred in connection with administering the Settlement, including JND’s estimated costs of the Second Distribution, and after deducting the payment of any estimated taxes, the costs of preparing appropriate tax returns, any escrow fees, and appropriate reserves, will be distributed to all Authorized Claimants in the Initial Distribution (other than Claims Paid in Full) who

cash their distribution checks and who would receive at least \$10.00 in the Second Distribution based on their *pro rata* share of the remaining funds. *See id.* Additional distributions, after deduction of costs and expenses as described above and subject to the same conditions, may occur thereafter in six-month intervals until Lead Counsel, in consultation with JND, determines that further distribution is not cost-effective. *See id.*

- (e) At such time as Lead Counsel, in consultation with JND, determines that further distribution of the funds remaining in the Net Settlement Fund is not cost-effective, if sufficient funds remain to warrant the processing of Claims received after February 16, 2023, those Claims will be processed, and any otherwise valid Claims received after February 16, 2023, as well as any earlier-received Claims for which an adjustment was received after February 16, 2023, that resulted in an increased Recognized Claim, will be paid in accordance with subparagraph (f) below. If any funds remain in the Net Settlement Fund after payment of these late or late-adjusted Claims, the remaining balance of the Net Settlement Fund, after payment of any unpaid fees or expenses incurred in connection with administering the Net Settlement Fund and after the payment of any estimated taxes, the costs of preparing appropriate tax returns, and any escrow fees, will be contributed to the National Consumer Law Center (“NCLC”), a non-sectarian, not-for-profit 501(c)(3) organization. *See id.*
- (f) No new Claims may be accepted after February 16, 2023, and no further adjustments to Claims received on or before February 16, 2023, that would

result in an increased Recognized Claim may be made for any reason after February 16, 2023, subject to the following exception. If Claims are received or modified after February 16, 2023, that would have been eligible for payment or additional payment under the Plan of Allocation if timely received, then at the time that Lead Counsel, in consultation with JND, determines that an additional distribution is not cost-effective as provided in subparagraph (e) above, and after payment of any unpaid fees or expenses incurred in connection with administering the Net Settlement Fund and after deducting the payment of any estimated taxes, the costs of preparing appropriate tax returns, and any escrow fees, such Claimants, at the discretion of Lead Counsel and to the extent possible, may be paid the distribution amounts or additional distribution amounts on a *pro rata* basis that would bring them into parity with other Authorized Claimants who have cashed all their prior distribution checks.

- (g) Unless otherwise ordered by the Court, JND may destroy the paper copies of the Claims and all supporting documentation one (1) year after the Initial Distribution, and one (1) year after all funds have been distributed may destroy the electronic copies of the same.

### **CONCLUSION**

51. JND respectfully requests that the Court enter the Class Distribution Order approving its administrative determinations accepting and rejecting the Claims submitted herein and approving the proposed Distribution Plan. JND further respectfully submits that its unpaid fees and expenses and its fees and expenses expected to be incurred in connection with the Initial

Distribution, as reflected on the invoices attached hereto as Exhibit H, should be approved for payment from the Settlement Fund.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge.

## **NOTICE OF DEFICIENT/INELIGIBLE CLAIM SUBMISSION**

Dear Claimant:

We received and processed the Proof of Claim and Release Form ("Claim" or "Claim Form") you submitted in the above-referenced securities litigation Settlement. We have determined, based on our review of your Claim, that the Claim is deficient or ineligible for the reason(s) identified below. In order to resolve the deficiencies, you must submit a written response with any required documentation as specified below postmarked no later than the response due date printed at the top of this notice. **Reason for deficiency/ineligibility (Please see below for explanation):  
NO DOCUMENTATION WAS PROVIDED TO SUPPORT THE CLAIM**

**Explanation of Ineligibility:**

**NO DOCUMENTATION WAS PROVIDED TO SUPPORT THE CLAIM**

You did not provide any documentation for the Claim.

**How to Fix**

You can resolve this deficiency by submitting acceptable documentation to support the Claim. All (i) shares or options purchased during the spinoff or notes purchased during the Initial Public offering; (ii) transaction information during the Class Period; and (iii) the number of common stock shares held as of December 29, 2015; option contracts held at the close of trading on September 30, 2015; 2020 or 2021 senior notes held through maturity or 2024 senior notes held on November 16, 2021, must be properly documented. (See Notice, Page 8, Paragraph 32).

Specifically, the supporting documentation for each transaction must reflect the purchase (or spin-off)/sale date, the number of securities purchased (acquired)/sold and the price paid/received per security. With respect to the required "holding" positions, the documentation need only support the number of securities held as of the dates set forth in Proof of Claim and Release Form.

Acceptable documentation includes securities brokers' confirmation slips, month and year-end account statements or similar documentation (self-generated documents are not acceptable).

**Please note, even if you cure the noted deficiencies, your Claim must then calculate to a Recognized Claim under the Plan of Allocation in order to be included in the list of eligible Claims presented to the Court for approval.** If you disagree with the conditions identified in this notice, you may contact us for assistance and/or request Court review of our administrative determination regarding your Claim.

Claim Level Deficiency			
Deficiency ID	Deficiency Name	Deficiency Description	How to Fix
	CLAIM DOES NOT BALANCE - COMMON STOCK	The Claim as submitted is not a balanced Claim. The spin-off shares plus purchases of Navient common stock do not equal sales plus the number of shares held at close of trading on December 29, 2015. (See Notice, Page 8, Paragraph 32). The total number of shares entered in sections 1, 2, and 3 must equal the total number of shares entered in sections 4 and 5 of the Schedule of Transactions in Navient Common Stock (Part III of the Proof of Claim and Release Form).	You can resolve this deficiency by supplying all the called-for share amounts in the Schedule of Transactions together with the required supporting documentation.
	CLAIM DOES NOT BALANCE - OPTIONS	The information provided for Navient option contracts on this Claim does not balance. For call options, either the purchases do not equal sales plus the number of contracts held at close of trading on September 30, 2015, or the beginning acquisition/ultimate disposition of the contract was not identified. (See Notice, Page 8, Paragraph 32). For put options, either the sales (written puts) do not equal re-purchases plus the number of contracts held at close of trading on September 30, 2015, or the beginning positions/ultimate disposition of the contract was not identified. (See Notice, Page 8, Paragraph 32).	You can resolve this deficiency by supplying all the called-for call and/or put option amounts in the Schedule of Transactions (Parts VII and VIII of the Proof of Claim and Release Form) together with the required supporting documentation.
	CLAIM DOES NOT BALANCE - SENIOR NOTES	The information provided for Navient 5% Senior Notes due 2020, 5.875% Senior Notes due 2021, or 5.875% Senior Notes due 2024 are out of balance. The purchases of Navient Senior Notes do not equal sales plus the face value of notes held as of maturity (for 2020 and 2021 Notes) or held as of November 16, 2021 (for 2024 Notes). (See Notice, Page 8, Paragraph 32). The face value of senior notes purchased (sections 1 and 2 of the Schedule of Transactions) must equal the face value of the senior notes sold or held (sections 3 and 4) for each respective senior note.	You can resolve this deficiency by supplying all the called-for face values in the Schedule of Transactions (Parts IV, V, and VI of the Proof of Claim and Release Form) together with the required supporting documentation.
	CLAIM SUBMITTED WAS FOR AN INELIGIBLE SECURITY	A security listed in your Claim is not an eligible security. Navient common stock, Navient call and/or put option contracts, Navient's 5% Senior Notes due 2020, Navient 5.875% Senior Notes due 2021, and Navient 5.875% Senior Notes due 2024 are the only securities eligible under the Settlement. (See Notice, Page 8, Paragraph 32).	<p>You can only resolve this deficiency by submitting documentation supporting purchases of Navient common stock, Navient call option contracts, Navient Senior Notes, and/or sales of Navient put option contracts during the Class Period from April 17, 2014, through September 29, 2015, inclusive (Exchange Act Class), or November 6, 2014, through December 28, 2015 (Securities Act Class). (See Notice, Page 8, Paragraph 32).</p> <p>Please Note: If you have purchase transactions of Navient common stock, Navient call option contracts, sales of Navient put option contracts, and/or purchases of Navient Senior Notes during the Class Period, you must also provide this and all other information and supporting documentation called for in the Proof of Claim and Release Form with respect to your holdings of and transactions in those securities.</p>
	NO PURCHASES WERE CLAIMED IN THE CLASS PERIOD	This Claim does not contain any purchase of Navient common stock or Navient call option contracts, sale of Navient put option contracts, or purchase of Navient 5% Senior Notes due 2020, Navient 5.875% Senior Notes due 2021, or Navient 5.875% Senior Notes due 2024 during the Class Period, i.e., from April 17, 2014, through September 29, 2015 (Exchange Act), or November 6, 2014, through December 28, 2015 (Securities Act), inclusive. (See Notice, Page 8, Paragraph 32).	You can only resolve this deficiency by submitting documentation supporting purchases of Navient common stock, Navient call option contracts, or Navient Senior Notes, and/or sales of Navient put option contracts during the Class Period. Please Note: If you have purchase transactions of Navient common stock, Navient call option contracts, sales of Navient put option contracts, and/or purchases of Navient senior notes during the class period, you must also provide this and all other information and supporting documentation called for in the Proof of Claim and Release Form with respect to your holdings of and transactions in the eligible securities.

	DUPLICATE CLAIM FILED	The Claim referenced is a duplicate and is therefore, rejected.	You can only resolve this condition of ineligibility if you can demonstrate that this Claim is not a duplicate of the Primary Claim. You must send an email explaining why you believe this Claim should not be deemed a duplicate along with acceptable documentation to support your position. If you acknowledge that this Claim is a duplicate of the Primary Claim but wish this Claim to be the operative Claim and the Primary Claim to be rejected, a signed, notarized letter from the beneficial owner of the securities stating that this Claim should be considered and that the Primary Claim should be withdrawn must be submitted along with a copy of this notice.
	CLAIM SUBMITTED BY OR ON BEHALF OF AN EXCLUDED PERSON OR ENTITY	The person or entity on whose behalf this Claim was filed is an excluded person or entity under the terms of this Settlement	<p>Excluded from both Classes are: Defendants, their officers and directors, all members of their immediate families, their legal representatives, heirs, successors, or assigns, and any entity in which Defendants have a majority ownership interest. Also excluded from the Classes are the persons and entities who excluded themselves by previously submitting a request for exclusion from the Classes in connection with the Class Notice.</p> <p>If you believe that the person or entity on whose behalf this Claim was filed was incorrectly identified as an Excluded Person, please contact or call the Claims Administration at the toll-free number provided</p>
	FURTHER INFORMATION	The Claims Administrator is requesting further documentation to support the claim and it's filer.	Please call the Claims Administrator for more information regarding what is needed.
	CLAIM DOES NOT CALCULATE TO A RECOGNIZED LOSS UNDER THE PLAN OF ALLOCATION	In accordance with the Court-Approved Plan of Allocation set forth in the Notice, the Claim referenced above does not calculate to a Recognized Loss and is, therefore, ineligible to receive a payment from the Net Settlement Fund.	<p>You can resolve this condition of ineligibility only by submitting additional purchase transactions of Navient common stock, Navient call option contracts, or Navient Senior Notes, and/or sales of Navient put option contracts during the Class Period, i.e., from April 17, 2014, through September 29, 2015, inclusive (Exchange Act), or November 6, 2014, through December 28, 2015 (Securities Act), that were not previously reflected in your Claim and that make your Claim calculate to a Recognized Claim. (See Notice, Page 8, Paragraph 32). You must also support any additional transactions with acceptable documentation.</p> <p>Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements or similar documentation (self-generated documents are not acceptable).</p>
